- **Product dimensions (W x H x D):** 260 x 140 x 220 mm
- **Weight:** 1.5 kg
- **Weight incl. Packaging:** 1.84 kg

## Product highlights

### FM/MW stereo tuner

#### Dynamic Bass Boost

*Dynamic Bass Boost maximizes your music enjoyment by emphasising the bass content of the music throughout the range of volume settings - from low to high – at the touch of a button! Bottom-end bass frequencies usually get lost when the volume is set at a low level. To counteract this, Dynamic Bass Boost can be switched on to boost bass levels, so you can enjoy consistent sound even when you turn down the volume.*

### CD shuffle/program/repeat

### Stereo headphone socket
